Hi Patti,

I have the bank statements and was able to confirm that a wire transfer posted on 10/18 for \$79,783.25 from Que Onda Beverage.

Bonnie also has the statements so her accountants can confirm.

Hope you had a great holiday!

Are you able to confirm with PNC whether the DIP Account received an additional \$79,783.25 after 10/12 that wasn't part of the DIP Account balance below? It looks like one of the vendors, whose AR we thought was still outstanding, says they initiated a wire to the DIP Account on 10/13, that arrived on 10/18, in the amount of \$79,783.25. I'm trying to figure out if we already received that money, or if it went to bonnie.

Thanks!

Patti
